

2007-2008 BUDGET IN BRIEF

The Mission of the City of San José is to provide quality public services, facilities and opportunities that create, sustain and enhance a safe, livable, and vibrant community for its diverse residents, businesses and visitors.

2007-2008 Adopted Budget

General Fund: used for regular operating expenditures, such as public safety, parks, and libraries.

Special Purpose Funds: used for operations that receive direct funding, which can only be used for a specific purpose, such as the Airport.

Capital Funds: used for infrastructure improvements, including transportation, public safety, airport, parks, and library projects.

Financial Plan

The 2007-2008 Adopted Operating and Capital Budgets for the City of San José total \$3.7 billion and represent the financial plan for the fiscal year that runs from July 1, 2007 through June 30, 2008. With this funding, the City will continue to deliver a wide range of services to San José residents, businesses and visitors.

The 2007-2008 Adopted Budget is based on the underlying assumption of continued modest economic growth in this region. While the City's overall financial position remains relatively stable, the City faced a sixth year of General Fund shortfalls as the growth in revenues has not kept pace with the growth in expenditures. The 2007-2008 Adopted Budget closes a General Fund gap of \$19.9 million, which is comprised of a \$16 million basic and \$3.9 million development fee program shortfall. This budget focuses on City Council and community priorities and sustained fiscal health. Significant investment in the City's infrastructure also continues with the expansion of the Mineta San José International Airport and major improvements to the City's libraries, community centers, public safety facilities, and the utility infrastructure.

Community-Based Budgeting Process

Following the City Council approval of the *Reed Reforms* in early January 2007, the 2007-2008 budget process was expanded to solicit and incorporate feedback from the community. A telephone survey was conducted in January 2007 to explore residents' perceptions of City services and their policy and funding priorities. A Neighborhood Association Priority Setting Session was also held in January to set priorities. The results of these efforts guided the Council Priority Setting Session attended by the City Council and City Administration that resulted in the establishment of the following three-year goals.

- *Maintain our status as the Safest Big City in America*
- *Eliminate the structural budget deficit*
- *Reduce deferred maintenance and the infrastructure backlog and develop a strategy to improve the infrastructure*
- *Increase economic vitality*
- *Provide full funding for parks, pools, community centers and libraries, including maintenance, operation and development*

Community Survey Results

- ✓ Majority of residents believe the City is spending the right amount of money on the key services surveyed
- ✓ If additional money was available, the respondents would prefer that those dollars be dedicated to police services as well as roadway maintenance, repair and improvements
- ✓ Majority of residents were unwilling to make significant cuts in any one area to augment services in another area

BALANCING THE BUDGET

The General Fund is used to provide many of the basic services provided by the City, including police, fire, libraries, parks, and traffic maintenance.

GENERAL FUND BALANCING PLAN (\$ in 000s)		
	2007-08	Ongoing
General Fund Shortfall	(\$ 16,004)	(\$ 16,004)
Development Fee Program Shortfall	(3,868)	(3,868)
Total General Fund Shortfall	(\$ 19,872)	(\$ 19,872)
Source of Funds:		
Use of 2007-2008 Future Deficit Reserve	\$ 10,630	\$ 0
Use of Earmarked Reserves	10,739	2,000
Development-Related Reserves/Fee Revenue	6,137	4,421
2006-2007 Excess Revenue/Expenditure Savings	4,759	0
Transfers from Other Funds	5,918	3,592
Other Adjustments	5,797	4,146
Total Change to Source of Funds	\$ 43,980	\$ 14,159
Use of Funds:		
Staffing & Non-Personal/Equipment Reductions	(\$ 9,013)	(\$ 9,167)
Shift Eligible Expenditures to Other Funds	(2,428)	(2,379)
Technology & Capital Infrastructure Maintenance	18,365	0
Neighborhood Services Activities	3,906	2,495
Economic Development Activities	1,950	0
City Council Direction (Mayor's Message)	2,654	2,120
Miscellaneous Additions	8,674	2,495
Total Change to Use of Funds	\$ 24,108	(\$ 4,436)
Total Change in the General Fund	\$ 19,872	\$ 18,595
Remaining Shortfall	0	(\$ 1,277)

How was the General Fund Budget Deficit Calculated?

Each year, a Five-Year General Fund Forecast is prepared that compares estimated revenues and expenditures to determine if there is a projected surplus or deficit.

The expenditure figures are updated to reflect estimated salary and benefit costs and any changes in contractual obligations. In addition, expenditures to which the City is considered to be committed by prior City Council action are included, such as costs related to operating and maintaining new facilities.

In 2007-2008, the expenditures are projected to exceed the estimated revenues by \$19.9 million. In the February 2007 Forecast, budget deficits were also projected in each of the five years.

The 2007-2008 Adopted Operating Budget closed a \$19.9 million funding gap in the City's General Fund by identifying additional funding sources of \$44.0 million, partially offset by net additions of \$24.1 million. In this budget, a significant effort has been made to solve the budget deficit with ongoing solutions and to align one-time revenues with one-time expenditures. As shown in the chart above, 94% of the \$19.9 million deficit was solved on an ongoing basis. This is an important step in closing the City's structural deficit.

BUDGET ACTIONS TO ADDRESS THE CITY COUNCIL'S THREE-YEAR GOALS

Maintain Our Status as the Safest Big City in America

Add 15 new sworn Police personnel; protect all core patrol functions; and restore dispatch supervisor position

Eliminate the Structural Budget Deficit

Maximize use of ongoing dollars to close 2007-2008 budget deficit; and establish a \$2 million reserve to begin addressing the City's GASB 43/45 liability for future benefits

Increase Economic Vitality

Establish a \$1 million Economic Incentive Fund; and add funding for a Shopping Center Improvement Pilot Program

Reduce Deferred Maintenance/Infrastructure Backlog and Develop a Strategy to Improve the Infrastructure

Add \$5 million in one-time funding for street infrastructure maintenance; restore parks maintenance funding; and add \$5.1 million in one-time funding for technology infrastructure upgrades

Provide Full Funding for Parks, Pools, Community Centers and Libraries

Add funding to maintain new parks and recreation facilities and to increase existing maintenance; restore aquatics program at four school-leased sites; and add positions for the Community Center Re-Use Plan

BUDGET FACTS

2007-2008 Adopted Budget

GENERAL FUND

Police	\$ 281,142,125
Fire	134,390,115
Parks, Recreation & Neighborhood Services	65,046,290
Planning, Building & Code Enforcement	39,284,064
Transportation	34,267,239
Libraries	28,807,311
General Services	19,389,324
City Management (Manager and City Council)	19,440,949
Finance and Human Resources	19,210,189
Information Technology	16,989,863
City Attorney	13,385,143

<i>Less Transfers, Loans & Contributions</i>	<i>(1,053,777,214)</i>
NET CITY USE OF FUNDS	3,741,697,435

2007-2008 Major Sources of General Fund Revenues*

* Excludes Fund Balance

Total City Positions

Position History

The 2007-2008 Adopted Budget includes the net addition of 149 positions. Staff additions were spread throughout the organization and include those necessary to operate and maintain new facilities, to improve parks maintenance, and to augment public safety functions. These additions were partially offset by staffing reductions necessary to address the budget deficit. The 2007-2008 staffing level of 6,992 is, however, still only equivalent to 2000-2001 levels.

SERVICE DELIVERY HIGHLIGHTS

The City of San José organizes its operations into six City Service Areas (CSAs). Following is a brief description of the expected service delivery in 2007-2008 and the impacts of the approved budget actions.

Key Public Safety Services

Crime Prevention
Emergency Medical Services
Emergency Preparedness
Fire Prevention
Fire Suppression
Police Investigations
Police Patrol
Public Education

Key Community & Economic Development Services

Building Permits
Development Services
Economic Development
Housing Services
Land Use and Planning
Local & Small Business
Technical Services
Public Art
Workforce Investment Network

Public Safety

Expected Service Delivery

- ☐ Provide essential emergency services (patrol, fire suppression, and emergency medical services) in a timely and effective manner.
- ☐ Continue to coordinate and implement federally-mandated regional terrorism response planning and San José Prepared!
- ☐ Effectively investigate crimes and prosecute suspects.

Service Delivery Changes

- ☐ Add 15 new sworn positions to address identified service needs including beat patrol, property crime investigations, and neighborhood traffic safety. One of these positions restores a deleted crime prevention position.
- ☐ Add funding for one new fire company (Fire Station 34 – Berryessa), including the addition of 13 sworn positions.
- ☐ Restore a supervisor in police communications to address vacancies and oversee dispatcher training and add a fire battalion chief for special training.
- ☐ Permanently continue \$400,000 of the \$800,000 in police overtime funding that was added on a one-time basis in 2006-2007 to address downtown safety.
- ☐ Reduce 3 vacant police administrative positions, 3 crime prevention positions (1 restored as discussed above), and 1 vacant fire warehouse position.
- ☐ Reallocate 1.69 crossing guard vacant positions to 1.0 school safety coordinator to provide improved intersection coverage.

Community & Economic Development

Expected Service Delivery

- ☐ Aggressively implement the City's Economic Development Strategy.
- ☐ Expand market-rate affordable housing opportunities.
- ☐ Maintain local and small business technical services and the Workforce Investment Network Program services.
- ☐ Strengthen festivals and continuing events in the Downtown.
- ☐ Provide excellent customer service in the development review process.

Service Delivery Changes

- ☐ Add resources for an Economic Incentive Fund and a Shopping Center Improvement Pilot Program.
- ☐ Add positions in Building (9) and Public Works (3) to improve development services response times.
- ☐ Increase development fees by an average of 5% to 8.9% to recover costs.
- ☐ Add resources for a comprehensive update of the General Plan.
- ☐ Add support for the Mariachi Festival, ZeroOne Festival, and create a Rotunda Lighting Program.

SERVICE DELIVERY HIGHLIGHTS

Neighborhood Services

Expected Service Delivery

- ❑ New and more flexible libraries and community centers are being constructed as promised to voters. The Edenvale, Joyce Ellington, Pearl Avenue, and Willow Glen branch libraries will be opening by summer 2008.
- ❑ Continue to provide homework support, sports activities and other enrichment to local youth as well as maintain current library hours.
- ❑ Maintain conflict resolution and intervention at schools.
- ❑ Continue to provide blight abatement and other code enforcement services.
- ❑ Continue operation of the City's Animal Care and Services Facility.
- ❑ Continue towards the goal of providing 4,000 Smart Start San José childcare spaces by 2010.

Service Delivery Changes

- ❑ Add 12.6 positions to support new parks and recreation facilities and add 11 positions to improve existing park maintenance (increased mowing frequency, park irrigation and playground repair).
- ❑ Add Aquatics Program funding to support four school-leased pool sites.
- ❑ Add 22 positions for the Community Center and Northside Re-Use Plans.
- ❑ Add \$5 million for the remediation of Watson Park.
- ❑ Add 2 code enforcement positions to provide proactive enforcement and reinstatement of field inspections for certain non-life safety complaints.
- ❑ Eliminate 23 vacant positions in Parks, Recreation and Neighborhood Services and 4.5 vacant positions in the Library.

Environmental & Utility Services

Expected Service Delivery

- ❑ Continue to exceed the State's AB 939 waste diversion mandate of 50%.
- ❑ Replace and rehabilitate the City's aging infrastructure.
- ❑ Continue to meet storm water permit requirements.
- ❑ Continue implementation of the Integrated Billing System.

Service Delivery Changes

- ❑ Add 22 positions at the Water Pollution Control Plant for preventative maintenance, Plant expansion and reliability project support, asset management, HVAC support, an As-Built Drawing Program, a Plant Industrial Safety Program, and Plant laboratory support.
- ❑ Implement rate increases of 9% for the Storm Sewer and Sewer Service and Use Charge, 28% for Recycle Plus, and 7% for the Municipal Water System in order to maintain a reliable utility infrastructure.
- ❑ Add 2 positions for watershed enforcement to prevent trash and other pollutants from entering the storm sewer system.
- ❑ Add staff to implement the City's Green Building Policy.

Key Neighborhood Services

*Adult & Youth Sports
After School Programs
Animal Care Services
Anti-Graffiti and Anti-Litter
At-Risk Youth Services
Code Enforcement
Community Centers
Libraries
Park Facilities
Senior Services*

Key Environmental & Utility Services

*Energy Conservation Efforts
Garbage Collection & Recycling
"Green" Building Program
Municipal Water System
Neighborhood Cleanups
Sanitary Sewer Maintenance
Storm Sewer Maintenance
Water Pollution Control Plant
Water Recycling*

SERVICE DELIVERY HIGHLIGHTS

Key Transportation & Aviation Services

Airport Operations
Landscape & Tree Maintenance
Parking Services
Street Pavement Maintenance
Traffic Capital Improvements
Traffic Maintenance
Traffic Safety Education
Transportation Planning and
Project Delivery

Key Strategic Support Services

Facility Maintenance
Financial Management
Fleet Maintenance
Human Resources
Information Technology
Public Works Services

Transportation & Aviation Services

Expected Service Delivery

- ❑ Continue construction of the North Concourse facility and the development of the Terminal Area Improvement Program at the Airport.
- ❑ Continue efforts to increase the destinations served and flight frequency.
- ❑ Continue to address security mandates at the Airport.
- ❑ Provide timely infrastructure repairs to ensure basic community safety (potholes and larger pavement failures, signals, signs, markings, etc.).
- ❑ Leverage State and federal funding for regional transportation projects.
- ❑ Perform street sealing preventative maintenance and resurfacing.

Service Delivery Changes

- ❑ Add \$5 million from the General Fund to address the significant backlog of street maintenance infrastructure needs.
- ❑ Add \$750,000 for Airport private security to address mandated requirements.
- ❑ Add funding to implement the Airport's Shared Use System, which enables the Airport to dynamically allocate terminal space, and to assume maintenance and operation of Terminal A+.
- ❑ Add 10 positions to support the Traffic Capital Program.
- ❑ Eliminate 8 positions that support traffic and street landscape maintenance.
- ❑ Eliminate remaining Sidewalk Repair Program grants except for hardship cases.
- ❑ Eliminate the Neighborhood Automated Speed Compliance Program (NAS COP).

Strategic Support

Expected Service Delivery

- ❑ Oversee the City's capital projects, ensuring on-time and on-budget delivery of facilities that meet both customer and City staff needs.
- ❑ Maintain City facilities, equipment, and vehicles.
- ❑ Attract and retain qualified employees.
- ❑ Ensure that the City's finance and technology resources are protected and available to address short and long-term needs of the community.

Service Delivery Changes

- ❑ Add 6 positions to manage workers' compensation claims; 3 positions to address classification, recruitment, and compensation issues; 1 position for the Return to Work Program; and 1 Americans with Disabilities Act coordinator to address accessibility issues in City-owned facilities.
- ❑ In-source electrical and plumbing maintenance and repair activities, at a net savings to the General Fund.
- ❑ Convert existing temporary staff and add new positions to provide technical, financial, and customer service support for the Integrated Billing System.
- ❑ Add \$5.1 million for critical city-wide technology infrastructure needs.
- ❑ Add 5 positions to implement the Revenue Collection Strategic Plan.

INVESTING IN THE CITY'S INFRASTRUCTURE

The capital investments approved over the next five years are substantial, with a 2007-2008 Adopted Capital Budget of \$2.0 billion and a 2008-2012 Adopted Capital Improvement Program (CIP) of \$3.1 billion.

The City is now in the second half of the *Decade of Investment* that is transforming much of the City's infrastructure. Major improvements continue in the City's parks, community centers, libraries and public safety facilities, primarily as a result of voter-approved bond measures that will generate a total of \$599 million for these purposes. The expansion of the Airport will deliver a facility that meets the needs of both customers and the airlines in a cost effective manner. Substantial investments in the City's utility infrastructure are also underway, designed to ensure the continued safe and efficient operation of these facilities and the capacity to address future growth.

With the number of new facilities coming online in the 2008-2012 CIP, General Fund operating costs will total \$4.0 million in 2008-2009 and climb to \$15.3 million by 2011-2012. In addition, the backlog of unmet infrastructure needs and deferred maintenance continues to grow and be a major concern facing the City. These issues, along with the competing trend of rising construction costs, will present a major challenge as strategies are developed to eliminate the General Fund ongoing structural deficit.

2007-2008 Adopted Capital Budget

Major Projects to be Completed over the Next Five Years

2007-2008 Projects

Branham Lane Improvements
Edenvale Branch Library
Fire Station 12 Relocation (Calero)
Fire Station 17 Relocation (Cambrian)
Fire Station 25 Relocation (Alviso)
Fire Station 34 (Berryessa)
Fire Station 35 (Cottle/Poughkeepsie)
Joyce Ellington Branch Library
Pearl Avenue Branch Library
Senter Road: Tully to Singleton
Water Pollution Control Plant
Reliability Improvements
Willow Glen Branch Library

2008-2009 Projects

Airport North Concourse
Airport Terminal A Improvements
East SJ Carnegie Branch Library
Fire Station 19 Relocation (Piedmont)
Fire Station 36 (Silver Crk/Yerba Buena)
Happy Hollow Park & Zoo
Mayfair Community Center
Roosevelt Community Center
Santa Teresa Branch Library
SJSU to Japantown Pedestrian
Corridor

2009-2010 Projects

Airport Parkway Entrance Upgrade
Bascom Community Center & Library
Calabazas Branch Library
Edenvale Sanitary Supplement, Ph V
Educational Park Branch Library
Fire Station 37 (Willow Glen)
Plant Master Plan
Seventrees Branch Library
Solari Community Center
South San José Police Substation
West Side Airfield Overlay

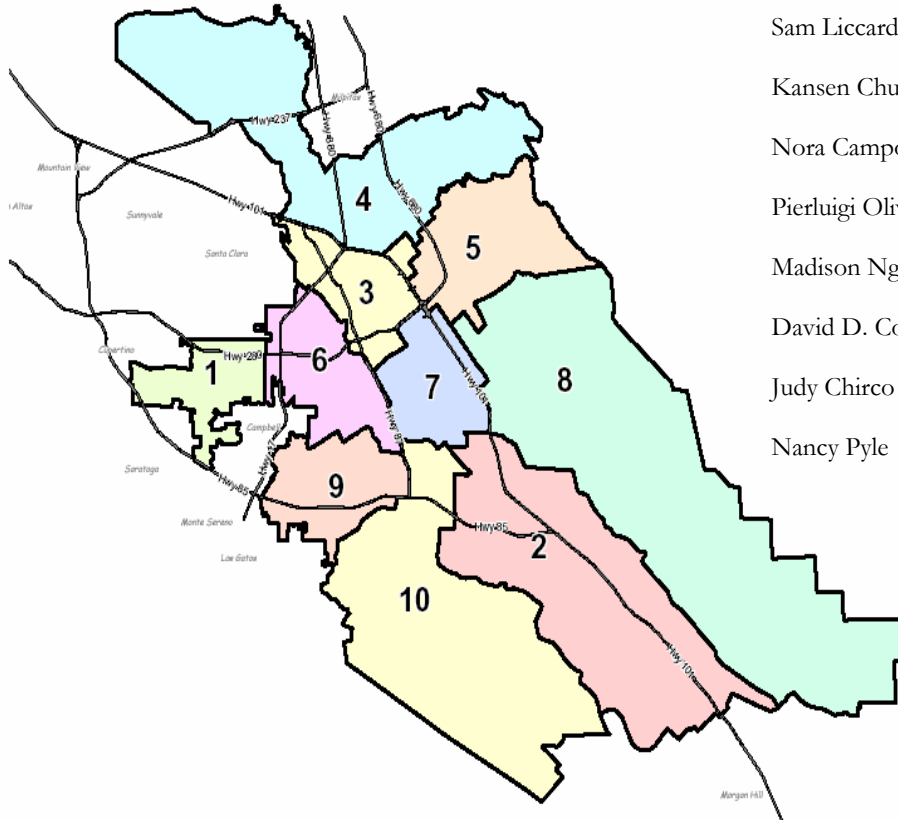

2010-2011 Projects

Almaden Road Sewer Rehabilitation
Public Safety Driver Training Center
Southeast Branch Library

2011-2012 Projects

Airport Consolidated Rental Car Facility
Albany-Kiely Storm Improvements Ph IV
Coleman Road Sewer Improvements
Cropley Avenue Sewer Improvements
Digester Gas Line Replacement

Managing Our Finances

Despite the City's economic challenges, the City of San José is recognized for its excellent financial management. San José has maintained its strong AA+ bond rating, the highest of any major California city. The City's annual Operating and Capital Budgets have also received awards from the Government Finance Officers Association and the California Society of Municipal Finance Officers.

The City's excellent credit ratings will save taxpayers money in financing costs for the three general obligation bonds passed for park, library, and public safety improvements.

Accessing the Budget

Online versions of the City of San José's 2007-2008 Adopted Operating and Capital budgets will be posted on the City's website at www.sanjoseca.gov. These documents are also available at your public library. For more information about the City of San José Budget, please contact the City Manager's Budget Office at (408) 535-8144.

This publication can be made available upon request in alternative formats such as Braille, large print, audio-tape or computer disk. Requests can be made by calling (408) 535-8144 (Voice) or (408) 294-9337 (TTY).
